WHAT IS THE EXPLORE YOUTH PROGRAM?

EXPLORE is a free Career Immersion Program for St. Louis high school students of color which connects students to industry leaders in the St. Louis region.

HOW DOES EXPLORE WORK?

Students spend 2-3 non-consecutive half days over the course of a school year at a host company where they meet with employee mentors, engage in interactive activities, take a tour, have lunch, and cultivate professional bonds that can lead to future internship and job opportunities.

HOW DO I KNOW IF A STUDENT IS A GOOD FIT FOR EXPLORE?

We are looking for enthusiastic students of color interested in exploring their potential who will not be adversely affected by missing school, and who will be engaged participants in a group setting.

ARE APPLICATIONS REQUIRED?

Yes. Applicants should express an interest in learning about career fields relevant to our EXPLORE program, and have the support of a school administrator. More information and applications can be found here: www.dapinclusive.org/programs/explore-program
