

EXPLORE ENERGY

Diversity Awareness Partnership & Ameren

Have you considered a career in the energy industry? Believe it or not, what you learn in school today can help you build a powerful career in the future. Now is the time to put your plan into action! With the right education and training, you can acquire the skills necessary to obtain a worthwhile career and one that will benefit millions of people every day. Diversity Awareness Partnership (DAP) is investing in St. Louis high school students and local corporate businesses to ensure a positive future in the realm of diversity. This externship program has been developed to expose, empower, and encourage students of color to pursue STEM (science, technology, engineering, and math) and other careers. DAP and Ameren have partnered to develop this invaluable opportunity for high school students in St. Louis as a pipeline to potentially change their futures forever.

Preferred Student Qualifications:

- 3.0 or higher grade point average **OR** in the top 10% of your class
 - 9th, 10th, 11th, or 12th grade
 - Interest in STEM (science, technology, engineering, and math)
 - Must be a student of color (Alaska Native, African American, Asian, Bi/Multi-racial, Latino, Middle-Eastern, Native American, Pacific Islander, etc.)
 - Must have parent consent and an arrangement for a guardian/adult to drive student to and from program
- Location of EXPLORE Energy:** Ameren | 1901 Chouteau Avenue, Saint Louis, Missouri 63103
- Must have student ID

Cost:

This is a free program; there is no cost to students participating. We simply ask that schools take responsibility in coordinating transportation for students. This is to ensure the attendance and safety of students participating in EXPLORE Energy. All sessions are from 9 a.m. to 12:30 p.m.

Benefits of Being Accepted Into Program:

- Students can put on their college resumes: Externship at Ameren
- Students have direct opportunities to network and seek an internship or shadowing experience with Ameren
- Students will learn about STEM fields and what will be required of them for future hire /internship
- Students have direct connections to Ameren recruitment departments that intend to hire students that participate in EXPLORE Energy and uphold further college requirements
- Students will understand why diversity in the field of STEM is so important
- Free prizes & giveaways
- Breakfast & lunch provided at all three sessions
